

International Conference on Emerging Trends in Automation, Communication and Security on 20 & 21 July 2023

ABOUT INSTITUTE

Sinhgad Institute was established in 1993 under the dynamic leadership of Hon. Prof. M. N. Navale with an objective of providing high quality technical education in the world. Total 119 institute spread all over 12 campuses and more than 1,00,000 students. SPSPM'S N. B. Navale Sinhgad College of Engineering, Kegaon, Solapur is housed in beautiful campus of 100 acres along with Wi-Fi facility. The Institute offers five B. Tech, M. Tech. courses in Engineering and Technology under Punyashlok Ahilyadevi Holkar Solapur University, Solapur, established in 2010 with highest Placement Activities. Our institute accredited with 'A' grade (3.12/4 CGPA) by NAAC. Also got recognition as ATAL RANKING OF INSTITUTE ON INNOVATIONS ACHIEVEMENTS (ARIIA). The team of faculty members of NBNSCOE, Solapur are committed to prepare their students as tomorrow's leaders to match the need of fast growing world under the guidance of Dr. S.D. Nawale, Principal, NBNSCOE. All the laboratories of each departments have equipments with all required hardware and softwares. The library is fully-fledged with all required competitive and reference books, Journals, newspapers etc. The institute has well equipped hostel facilities, computer center, hygienic mess and canteen, Gymnasium etc. within the campus.

ABOUT SOLAPUR

Solapur is a city located in the state of Maharashtra, India. It is the administrative headquarters of Solapur district and is situated on the banks of the Sina River. Solapur has a rich cultural and historical heritage, with evidence of human settlement in the region dating back to the Stone Age. The city is known for its textile industry, with a large number of cotton mills and textile factories. Solapur is home to a number of temples and religious sites, including the famous Siddheshwar Temple, which is dedicated to Lord Shiva. Solapur has a semi-arid climate, with hot summers and cool winters. The city is well-connected to other parts of Maharashtra and neighboring states by road, rail, and air. It has a number of educational institutions, including several engineering and medical colleges, as well as a state university.

ABOUT CONFERENCE

This conference is to bring together a diverse range of perspectives and expertise to facilitate discussion and collaboration on emerging trends in Automation, Communication and Security field. The conference will also provide earlier stage researchers with opportunities to learn from the subject experts, to present their research as well as to establish valuable research contacts and collaboration in India and internationally important for their future.

Selected papers from publisher will be published in UGC care/WoS/Scopus indexed journal
Conference Paper Presentation in Hybrid mode (Online/Offline)

TARGETED AUDIENCE

- Scientists and Researchers
- Academicians/Faculty from Engineering & Science stream
- Junior/Senior Research Fellows
- PG/UG Students Engineering & Science stream

REGISTRATION DETAILS

It is mandatory to register atleast one author after acceptance of the paper. The author has to present it in orals session (online/offline) during conference. (Other updates will be uploaded to website.)

Registration Fee:

Delegate Type	Indian (INR)	Foreign (\$)
Industry	5500	250
Scientist/Academia	3500	125
Research Scholars	3000	115
Students(UG/PG)	2500	110
Attendees	1000	50

Research Paper Submission :
Paper submission is to be done using easy chair
