Description of Activity:

Dr. S. D. Nawale, Principal, NBNSCOE, has given introduction about the UG Fellowship 2018 program in collaboration with the Vishwaniketan, Khopoli,

Principal Sir discussed about the benefits of UG Fellowship, kind of exposure and experience students will get at international level. He explained how the technical skills and behavioral changes are observed in the students after attending this summer internship programs. How the students' abilities about the communication skills, way of presentation, confidence and attitude will remarkably change after coming from the UG Fellowship program. Sir explained each and everything that students have to face abroad including their food, medicines etc and what the remedies are over this in detail.

Principal Sir shared his experiences during his Ph.D. and Post-Doc fellowships in France and Italy. He explained about the currencies, visa procedure health and travel insurances of students.

Our last year students Mr. Virendra and Mr. Shubham Gada shared experiences in their summer internship programs in Russia in 2017. They shared in detail about their schedule of 45 days, discipline, learning process and industrial visits. Also explained how they become independent, how all students from various states in India lived their together as an Indians and also shared experience of preparing dinner together.

Mr. Prathmesh Naware had given the detailed presentation of their projects and Lab work in Ukraine. Vote of thanks given by Dr. S. H. Kshirasagar
