IPR Policies

SPSPM's NBNSCOE, would like to motivate and facilitate the teaching Staff as well as, students/alumni to initiate the research activities in the institute and to register their research at regulatory authorities at the National and International level. This will help to the researcher to protect their rights on the research carried out by them.

1. Institute shall motivate maximum number of teaching staff members/students/alumni to write the proposal for IPR.
2. The Institute will provide the infrastructure / environment for research activities.
3. Institute will motivate and support to write proposal for research funds from various agencies.
4. The Institute will arrange the seminars/workshops regularly to motivate and guide the teaching staff members/students/alumni for IPR.
5. To attend the workshop related to IPR, institute will provide Duty leaves to teaching staff members.
6. The Institute will assist the teaching staff members/students/alumni for generating the seed money through IPR
7. The available resources and equipments will be provided in non-working hours or holidays to startups. This facility may be availed by teaching staff members/students/alumni on the basis of returning the equipments in working condition after the accomplishment of work or whenever the Institute/departments will be in need of the same. The checking of equipments must be done meticulously by both the parties before and after using them. The amount of repairing the equipments will be paid by the corresponding party if the equipments are damaged or found in non working condition.
8. The IPR will be a collective property of teaching staff members/students/alumni with Institute. The share of the funds raised out of any IPR should be mutually decided between the beneficiary and the institute from time to time.
9. Institute will help in establishing links among different organizations for exchange of information and ideas as also to develop promotional/ educational products and services.
