education from NBNSCOE is growing in their career graph and trying to take our institute's name more higher and higher. They are indirectly boosting the reputation of Institutes with their increasing their career graph, as they are supposing that institute has provided them all those platforms, facilities which made them to improve their personality and skills.

The Hand in Hand Shaped lines indicates the strong bound between Alumni and their Alma-mater. This binding is strong enough not to be broken easily and will continue till the point of eternity.

We know the power of unity or togetherness. Single being can't do the things which can be done by union, association. So, finally, the caption '*Tie up to Fly up*' is addressing to alumni to tie up with their alma-mater, get together and fly up to achieve their ambitions.

Therefore as per design of Logo and with considering the all 18 objectives of association at the time of its registration, all NBNSCOE Sinhgad Family members can be get connected through the open platform of NBNSCOE Alumni Association. Alumni can share their achievements, their personal life progress, their all kind of emotions, words of guidance to current students, career opportunities offered for current students etc. with their all family members of Sinhgad. Thus, we may hope that all the objectives of Association would be get fulfilled ultimately.

Also, As per Colour Theme followed in Sinhgad Family, Background Maroon Colour of logo is chosen as per Body members approval.
