INSTITUTE RESEARCH POLICY

Academic institutions are expected to perform threefold activity which includes teaching, research and extension. Research happens to be one of the pioneer aspects of academic activities which help the institution to achieve excellence in the field of education. It also includes the quality of learning and knowledge development. A Research and Development activity helps to create and disseminates new avenues in knowledge, promotes innovation and these will motivate better learning and teaching among faculties and students of N. B. Navale Sinhgad College of Engineering, Solapur. Research is the foundation of knowledge that brings new energy, builds state of the art facilities, promotes research publications, and develops collaborations.

Taking these in to considerations, N. B. Navale Sinhgad College of Engineering, Solapur framed and implemented its Research Policy.

Purpose

The purpose of the Research Policy is to create a vibrant atmosphere of research among faculty and inculcate research aptitude among the students. The policy shall serve as an overall framework within which research activities may be carried out. It also aims to identify thrust areas of research having social relevance and thereby supplementing the Vision and Mission of the college. The Research policy also emphasizes contribution towards society and to the nation at large.

Scope

This Research Policy forms the basics of the research ethics of the college and is implemented in all the departments and it serve as the guidelines for the functioning of the Research council of the college.

Objectives of Research Policy

The Principal objectives of the Research Policy are as follows:

1. To develop desired awareness regarding research in the faculty and students of N. B. Navale Sinhgad College of Engineering, Solapur
2. To establish a right kind of research culture through various research initiatives and programs.
3. To establish Research Center in different disciplines with emphasis on socially relevant
