Total Experience : 13 Years and 2 Months

Teaching Experience

Institute: N B Navale Sinhgad College of Engineering, Solapur
From 2022-03-07
Total Experience: 1 years 8 months

Designation: Associate Professor & HoD (CSE)
To:
Approved: No

Institute: Walchand Institute of Technology, Solapur
From 2012-07-02
Total Experience: 9 years 6 months

Designation: Assistant Professor
To: 2021-12-31
Approved: Yes

Institute: Walchand Institute of Technology, Solapur
From 2010-08-02
Total Experience: 2 years 0 months

Designation: Teaching Assistant
To: 2012-06-30
Approved: No

Roles and responsibilities handled in Teaching:

- Taught UG students in core technical subjects like Artificial Intelligence, Java Programming, C#.Net Programming, Data Structures & Algorithms, Mobile Application Development, Database and Machine Learning, UNIX Operating System.
- Taught Course work for PhD student for the subject Network Security & Cloud Computing.
- Evaluator for KAVACH-2K23 Cyber Security National Level Hackathon
- Worked as a Project Coordinator in department and have framed rubrics to evaluate the projects.
- Worked as SPOC of Smart India Hackathon 2K22 and mentored teams, one team has won First Prize worth 1 Lakh Rupees.
- Evaluator/Member of Seed Money Research Proposal at Solapur University Solapur
- Worked on various Industry Collaborated projects.
- Member of Board of Studies at WIT, Solapur and proposed curriculum for various subjects in line with industry requirements.
- Installed and maintained Moodle LMS software in institute for all faculty and students to ease assessment process.
- Guided more than 20 Project groups to successfully complete their projects. Notable achievement of project groups qualified in Smart India Hackathon, Smart City development sponsorship, won various competitions at National Level competitions.

	<ul style="list-style-type: none"> • Implemented many education technology activity like flipped classroom, Think Pair Share and Learn by Doing (LbD) etc. • NAAC Criteria 7 coordinator at institute level • NBA Criteria 2 Core Team Member at department level • Coordinator for NIRF, IIC & Start Up, IIPC, Smart India Hackathon Competition at department level. • Prepared hands-on lab manual for programming subjects like Java Programming, C#.Net, using Eclipse IDE and Sharp Develop IDE. • Secondary SPoC for Infosys Campus Connect and have played an instrumental role leading to win thrice best SPoC award and best Industry Elective Rollout award. • Infosys Springboard platform coordinator at institute enrolling students on platform and tracking progress. • Question paper setting and Assessment is done using Moodle LMS software by following Blooms Taxonomy. • Created many technical videos for students under Professional Learning Community at Institute. • Worked as a Class Coordinator for last 8+ years. • AVISHKAR Project competition coordinator at department level. • Conducted Workshop on InfyTQ preparation guidelines for students aspiring for placement in Infosys at WIT, Solapur • Organized, attended and conducted workshops based on various recent technology.

Major Projects Handled	<ol style="list-style-type: none">1. To Analyze and Design of Stock Market Prediction Model using NARX and Deep LSTM Objective: To predict stock market with high prediction accuracy by designing a CPLM-based NARX method. The developed method employed wrapper-based feature selection approach for selecting very important features produced from technical indicators.2. Stock Market Prediction using Association Rule Mining Objective: To provide predictions on Indian Stock Market data by applying data mining techniques such as Association Rule.
