PROF P.K.MAGADUM SELECTED AS SECRETARY OF IEI, INDIA

Prof P.K. Magadum

Heartly congratulations to Prof P.K.Magadum, Electrical Engineering Department for getting selected as secretary of Institution of Engineers, India (IEI).

The Institution of Engineers (India) [IEI] is a statutory body to promote and advance the engineering and technology, established in 1920 and incorporated by Royal Charter in 1935. It is the largest multi-disciplinary professional body of engineers encompassing 15 (fifteen) engineering disciplines with a membership of more than 820 thousand, and serving the nation for more than 9 decades. The IEI has its headquarters located in Kolkata with national presence through more than hundred Centres and several Overseas Chapters, Foras and Organ.

HOD's Message

Prof R. B. Gharase

I take the privilege to welcome you all on the publication of Volume-I (AY 2018-19) of newsletter "VIDYUT", to the Electrical Engineering Department at N B Navale Sinhgad College of Engg. Solapur. The department has well qualified staff with expertise in Power Systems, Control Systems, Power Electronics and Drives, Electrical Machines, Electronics and Computer Applications, assisted by skilled supporting staff. The department seeks to combine excellence in education and research with survive to the industry. Our Laboratories have been very well established not only to cover complete syllabus but to motivate students to learn beyond the syllabus which definitely develops complete knowledge of the subject and develop skill sets of students to become promising engineers in future. The core values of the department help the students to develop their overall personality and make them worthy technocrat to compete and work at global level.

SKILL DEVELOPMENT PROGRAM WORKSHOP @ DEPARTMENT

Sr.No	Title	Class	Date	Resource person	Staff Co-ordinator
1	Workshop on "Introduction to LATEX"	BE EE	01/10/2018	Dr. I.M Chandarki	Prof A Y Bansode
2	"Suryamitra" Skill Development Program	—	22/09/18 to 22/12/18	Mr A A Shaikh, Prof A A Kotmale, Prof P A Pawar	Prof R B Gharase

Suryamitra: Skill Development Program

INDUCTION PROGRAM

Welcome of Second year students followed by Lamp Lighting by the students and dignitaries on the occasion of Induction Program which was held on 23 August 2018. Prof R.B Gharase has guided students regarding different activities in the department. Staff related to academic, curricular, co curricular training and placement activities has given presentation according to their worked out and planed activities. Different value addition programs, MOU's which are helpful for project as well as in making students carrier were also introduced by VAP coordinator. This program was coordinated by Prof P A Pawar.

1 st	KUMBHAR SHILPA BALBHIM	75.31%
2 nd	HANDE POONAM MA-HADEV	74.87%
3 rd	KONGARI ABHISHEK SHRINIVAS	73.50%

STUDENTS' ACHIEVEMENTS

- Mr Gundiba Nile from BE EE has participated in university level cricket competition
- Mr Suraj Kore & Mr Salunke from TE EE have participated in university level cricket competition
- Miss Shweta Jangam has selected as Ladies Representative (LR) at student council.
- Miss Pragati Chatake is selected as President for E2SA
- Mr Yatiraj Rathod is selected as Vice President of E2SA
- Miss Mahek Bagwan is selected as Ladies Representative of E2SA
- Miss Mohini Mali and Mr Rushikesh fulari selected as Alumni coordinator (Central Level)

ADV. S S KAMBALE

STAFF ACHIEVEMENTS

- Prof P.G Shirsikar secured “Best Teacher Award” for AY 2017-18
- Mr S S Kambale completed LLB
- Mr S S Kambale secured “Best Employee Award” for AY 2017-18
- Prof R B Gharase & Prof P K Magadam completed PhD course work examination.
- 06 staff members attended STTP/FDP/STP/Workshops organized at various institutes in nearby areas.
- 05 Staff members contributed for design of syllabus of TE Electrical Engg. And finalization of structure.
- 04 staff members delivered Expert Lectures at various degree and diploma institutes.

VISION

- To Blossom globally competent Electrical Engineers to serve needs and challenges of society through technical excellence”

MISSION

- To provide quality education and create research oriented culture by implementing innovative teaching and learning practices
- To develop successful professional engineers and entrepreneurs with values and ethics

GOALS

- To establish State of the art research facilities in the department
- To become globally recognized centre of excellence in fields of Electrical Engineering
- To undertake research and development works in leading technologies and Industries
- To enhance R &D consultancy in the department
- To strengthen industry– institute interaction
- To provide technical support in areas of social relevance

- To set up the training infrastructure for conducting value added training programs and enhance the employability of students
