

N B Navale Sinhgad College Of Engineering, Kegaon Solapur

Training & Placement Cell

Academic Year 2025-26

Date: 13/04/2026

Notice

All the third-year students (graduating in batch 2027) are hereby informed that the institute is going to conduct aptitude & soft skill training and assessment for all the students. As per the aptitude & soft skills orientation session dated 08/04/2026, it is decided in the meeting that there will be mandatory training for all the students, and the total fees for all these activities are Rs. 2000 per student. Professional success requires both aptitude and soft skills, with aptitude emphasizing cognitive talents and soft skills emphasizing behavioral and interpersonal qualities. Soft skills provide efficient communication, teamwork, and overall performance at work, whereas aptitude shows a candidate's potential for technical abilities. The SHL-AMCAT (Aspiring Minds Computer Adaptive Test) is significant because it's used by numerous companies to assess the employability of candidates, especially for entry-level roles. It helps companies identify suitable candidates by evaluating various skills, including communication, logical reasoning, and domain-specific knowledge.

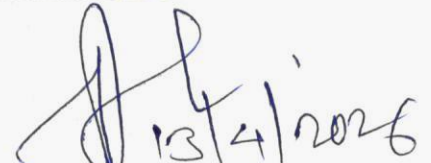

The following table provides a detailed breakdown.

| Sr.No. | Training /Assessment | Per Student Cost in Rs. |
|--------------|---------------------------------|-------------------------|
| 1 | Aptitude & Soft skill Training | 1000 |
| 2 | Third Party Assessment by AMCAT | 500 |
| 3 | Technical Training | 500 |
| Total | | 2000 |

All the students are appealed to pay the amount on or before 30/04/2026.
