Institutional Development Plan (IDP) A. Y. 2025-2026

1. Secure 12(B) status from UGC as institute has received permanent affiliation for three programs, to enable eligibility for research grants, faculty development schemes and academic autonomy.
2. Ensure NBA accreditation for all eligible programs to strengthen academic quality and establish continuous improvement in outcome-based practices.
3. Implement NEP-aligned interdisciplinary and outcome-based education through CBCS and flexible learning systems to enhance holistic student development.
4. Promote research and innovation with rural and societal focus by encouraging interdisciplinary projects addressing technological needs of rural India.
5. Expand academic horizons by introducing new UG programs in emerging domains and launching PG/Ph.D. programs to build a strong research ecosystem.
6. Enhance consultancy and industry collaboration by leveraging faculty expertise and laboratories to provide quality technical solutions and services.
7. Strengthen faculty development through MSFDA and AICTE-ATAL FDPs, promoting pedagogical innovation, interdisciplinary teaching and research competence.
8. Foster innovation and entrepreneurship by motivating students to participate in SIH, Avishkar, IIT-Bombay E-Cell and other national innovation programs.
9. Utilize MoUs effectively with industries, research centers and academic institutions for student internships, training and collaborative research.
10. Promote institutional branding and outreach through national events, technical symposiums and community engagement initiatives like School Connect programs.
